

TORFAEN PEOPLE'S PANEL

Calling all TORFAEN residents!

Would you like to give your views about things that are happening in Torfaen?

Would you like to have a say on how public services are delivered?

Would you like to influence the way public money is spent?

Would you be interested in scrutinising the decisions of the Local Service Board?

If your answer is YES to any of these questions then joining the TORFAEN People's Panel is your chance.

Being a member of the Torfaen People's Panel won't take up all your time.

It could mean responding to a questionnaire/survey a few times a year; or if you want to be more involved you could take part in community workshops, focus groups and online discussions. Some panel members could take part in 'observational studies' or work with Public Service Officers on specific projects.

You can choose to have as little or as much involvement as you want.
