Safeguarding

Group A (Level 1) Safeguarding Awareness

Safeguarding Awareness courses provides the knowledge and skills needed to safeguard children. It describes the common types of abuse, how to recognise them, and how to respond to concerns. It also explains how to correctly report concerns.

This mandatory training should form part of an employees' induction for all staff.

It is required for all employees who may or may not directly work with children but may work in a building where a childcare provision is based; or members of a Board / Committee who support a childcare provision.

Group A training can be accessed online via the link below:

[Group A Safeguarding | Social Care Wales](#)

Group B (Level 2) Safeguarding Intermediate Course

Intermediate Safeguarding Children courses help to increase existing safeguarding knowledge and teach more about what is involved in the safeguarding process. The course shows how to identify abuse, and report concerns as well as learn more about the safeguarding structure, recognising risks and what happens after a referral to social care has been made.

This course is required for all employees who work directly with children.

Safer Recruitment

Safer Recruitment Training in Early Years (Wales) – Summary

A clear, practical guide designed specifically for Early Years providers in Wales. This training distils the essential elements of safer recruitment, aligning them with CIW requirements, the National Minimum Standards, and Welsh safeguarding legislation. It highlights what “fit and proper” really means, the checks every setting must complete, and how to embed a strong safeguarding culture through induction, supervision, and values-based recruitment. Ideal for leaders and practitioners who want confidence, consistency, and compliance across their recruitment processes.

Observations

Course Title	Date	Time	Venue
Principles of Observation	05/05/26	1.00-3.00pm Afternoon Or 6.30-8.30pm Evening	Microsoft teams

This session is designed for all childcare practitioners and aims to deepen your understanding of observation as a powerful tool for enhancing the quality of your practice and provision.

Together, we'll explore the importance of truly getting to know each child and how effective observation supports their progress.

You'll have opportunities to reflect on your current approaches, identify areas for growth, and consider practical strategies for improvement.

The session will conclude with a focused discussion on effective observation formats and processes.

This course is for all childcare practitioners

Course Title	Date	Time	Venue
Observations in Practice	12/05/26	1.00-3.00pm Afternoon Or 6.30-8.30pm Evening	Microsoft teams

This session builds upon the learning gained from Principles of Observation training. Together, we will consider how effective observation supports each child's progress by helping you identify their interests, needs, and next steps.

There will be opportunities to reflect on your current observation practices—what's working well, and discover where might there be opportunities to enhance the quality, consistency, and impact of your observations?

This course is for all childcare practitioners

Flying Start Modules

In these sessions we will explore why the environment is so important and what makes a quality environment for a 2–3-year-old. We will also consider how we can use the environment to its best effect – ensuring that it meets the needs of all children.

This course is for any childcare provider interested in developing play and adult interactions in their setting and for all Flying Start childcare leaders and practitioners /maintained Nursery staff (or settings/practitioners interested in becoming a Flying Start provider)

Circle of Security for Early Years Settings

The training is aimed at child practitioners caring for children aged from one to six years

Over the 8 weeks we will think about a different topic using short videos, handouts and chatting together.

This will help all childcare practitioners to be able to support, understand and enhance:

- How to help the children in your care cope with their emotional world and feelings
- How to help the children in your care feel secure in their relationships within the childcare setting
- How to look after yourselves as childcare practitioners
- How to understand and respond to difficult behaviors_
